Sir

I have the honour to state that the Secretary of the Rural Educational Society, Kankanhalli, wrote to the Board intimating that the Society was maintaining a High School and a Middle School at Kankanhalli at a cost of Rs. 400/- per month and as the Taluk was situated in the interior of the District and very backward in literacy &c. He therefore requested for a generous grant of Rs. 1,000/- (Rupees one thousand) only from the Board, as the Institutions were being maintained out of public donations and subscriptions. The subject was placed before the Board, who, at their meet held on 8th August 1942 resolved that a lump sum grant of Rs. 500/- be paid to the Society this year from the Closing Balance.

SIR,

Subject:- Information required in connection with the question of sanctioning a lumpsum grant of Rs.500/- out of the District Board funds of Bangalore District to the Rural Education Society, Kankanhalli.

In continuation of my letter number cited above dated 16th December 1942 stating that a report in the above matter would be submitted soon after the receipt of the required information from the Deputy Director of Public Instruction, Bangalore and with reference to your reminder letter No.L.8391 dated 22nd February 1943 requesting that the matter may be expedited, I have the honour to state that the Deputy Director of Public Instruction, Bangalore has reported that the lumpsum grant of Rs.500/- out of the District Board funds might be paid to the Society since the High School has been newly started this year and has to be properly equipped and the resources of the school are slender. The Society may therefore be considered as being in need of and also deserving of this help.

At present, the Dayananda Vasathi Vidyalaya Hostel run by the Society is in receipt of a maintenance grant of Rs.17½ per mensem. The Middle School and High School sections of the school are not in receipt of any grants from the Department. In this connection, I have to invite your kind reference to my letter No.L.1177-139 of 42-43 dated 11th September 1942 addressed to the General Secretary to Government stating that the question of a grant to the Middle school section would be considered on receipt of an application through the District Educational Officer, Bangalore.
